

# TOP 10 FUNDRAISING TIPS

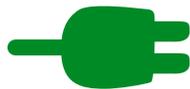

**1 Level up your profile**  
Add an image, complete your story and set your event date.

**6 Gather your squad**  
Ask your mates to join you in the challenge or rally them round to cheer you on (and make a donation or two).

**2 Set a target**  
Aim high and keep your friends and family posted on how close you are to reach your goal!

**7 Forfeits**  
Think of fun ways to help donations roll in and the hours fly by. Ask your mates what dare they'd like you to do in exchange for a donation during your stream. Fancy dress or funny dancing is always a winner.

**3 Link your Twitch**  
Connect your Twitch account to your fundraising page so people can watch and donate to you seamlessly.

**8 Re-think the subathon**  
If you don't want to take on the full 24-hour challenge. Push for donations rather than subs and add another 15 or 30 minutes to your stream every time someone donates.

**4 Back yourself**  
Kick-start your fundraising by donating to yourself. It's a great way to begin your fundraising!

**9 Spread the word**  
Let everyone know when the countdown to your heroic challenge has begun by using our social media badges and sharing your page on your social media channels.
